

2020 Annual Care Checklist

Nothing is more important than your health. That's why you can count on UnitedHealthcare® to help you get the care you need, when you need it.

Take this checklist with you to your next doctor's appointment.

Good preventive care helps catch health issues early when they may be easier to treat. Bring this checklist to your next doctor's appointment. Together, you and your doctor can decide which tests and care services are right for you. Recommended preventive care services may include the following¹:
